

Unscheduled visits

1 Add unscheduled visit

- If applicable for the study you can add unscheduled visits to the calendar.
- Click the "add new visit" link on the left side of the details page, choose the type of visit in the drop down and click initiate visit. Select a date and click "add visit".
- The new visit will now appear in the calendar.

The screenshot shows a web application interface for adding a new visit. At the top, there is a blue header bar with a small icon, the text '990723', and the title 'Add new visit'. On the right side of the header bar are two buttons: 'Add visit' and 'Close'. Below the header, the main content area is titled 'Add new visit'. It contains two input fields. The first is labeled 'Visit name' and has a dropdown menu open with three options: 'Discontinuation', 'Discontinuation', and 'Unscheduled'. The second is labeled 'Visit date' and contains the text '30 Jul 2014' with a calendar icon to its right.
